ORDER

DENISE COTE, District Judge:

For the reasons set forth on the record at the final pretrial conference held on October 29, 2020, it is hereby

ORDERED that the plaintiff and the defendants collectively shall each be allotted 6.5 hours of time at trial, measured by the time counsel is on its feet before the jury. This time shall include the party's opening statements, direct examination of witnesses, cross examination, redirect examination, and recross examination.

IT IS FURTHER ORDERED that this allocation excludes time for summation arguments.

IT IS FURTHER ORDERED that the parties shall cooperate in the scheduling of witnesses to ensure that there are sufficient witnesses present in the courthouse to fill each trial day. The parties are advised that, if they fail to do so, they may be deemed to have rested or have their allotted time at trial

docked.
